US State Dept Travel Advisory

The US Department of State currently recommends US citizens reconsider travel to New Zealand without prior authorization from the New Zealand government. Consult its website via the link below for updates to travel advisories and statements on safety, security, local laws and special circumstances in New Zealand.

Passport/Visa Requirements

US citizens should make sure their passport will not expire for at least 3 months after they enter the country even if they do not intend to stay that long. They should also make sure they have at least 1 blank page in their passport for any entry stamp that will be required. A visa is not required as long as you do not stay in the country more than 90 days.
